2022 ANNUAL REPORT

INTRODUCTION

Collingsworth County Appraisal District was established in 1980. Texas voters approved appraisal districts in 1979. We are a political subdivision of the State of Texas created by the Texas Legislature. The Constitution of the State of Texas, the Texas Property Tax Code, the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the Appraisal District.

MISSION

The mission of Collingsworth County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of the district for ad valorem tax purposes. The effective date of each appraisal is January 1st. The district must make sure that each taxpayer is given the same consideration, information and assistance as the next. This will be done by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller's Office (PTAD),
- The International Association of Assessing Officers (IAAO), and
- The Uniform Standards of Professional Appraisal Practice (USPAP)

GOVERNANCE

The appraisal district is governed by a Board of Directors whose primary responsibilities are to:

- Establish the district's office.
- Adopt its operating budget.

- Contract for necessary services.
- Hire the Chief Appraiser.
- Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board.
- Approve contracts with appraisal firms selected by the Chief Appraiser to perform appraisal services for the district.
- Make general policies on the appraisal district's operations.
- Biennially develop a written plan for the periodic reappraisal of all property within the district's boundaries.

To be eligible to serve on the board of directors, a person must have resided within the boundaries of the county for at least two years prior to their appointment. Members of the board serve two-year terms beginning on January 1 of even-numbered years. Their terms are not staggered. There are no legal limits to the number of terms a board member can serve. The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the board of directors. The Chief Appraiser must be licensed as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation (TDLR).

Members of the Appraisal Review Board (ARB) are appointed by the District Judge. ARB members serve two-year staggered terms. They are limited by law to serving three consecutive two-year terms. They must be certified by the Texas Comptroller. Their responsibility is to settle value disputes between the taxpayer and the Chief Appraiser. Their decisions regarding value are binding to the Chief Appraiser for the tax years protested.

The Ag Advisory Board is appointed by the Chief Appraiser with the advice and consent of the Board of Directors to aide him in determining typical practices and standards for agricultural activities in the district. Ag members must be landowners of the district whose land qualifies under Subchapter C, D, E, or H, Chapter 23 of the Property Tax Code, and who has been a residence of the district at least five years. Members serve for staggered terms of two years. The board shall meet at the call of the Chief Appraiser at least once a year.

Exemption Data

Property owners may qualify for a variety of exemptions as provided by the Texas Constitution. Some of the most commonly occurring exemptions are described below. Other less commonly occurring exemptions are available and described in the Texas Property Tax Code, Chapter 11.

Residential Homestead:

The following represents the total exemption amounts available to homeowners who qualify for a residential homestead exemption with a maximum of 20 acres:

<u>Tax Entity</u>	<u>Regular Homestead</u>	<u>Over 65</u>
Wellington ISD	\$25,000.	\$35,000.
Collingsworth County		10,000.
Road & Bridge		10,000.
Groundwater District		10,000.
City of Wellington		7,500.

For school tax purposes, the over 65, disability, surviving spouse, and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead of existing buildings. Any new areas added to the home site will cause the ceiling to be readjusted and set in the subsequent tax year.

All homeowners who qualify for the residential homestead exemption are subject to the placement of a homestead cap on their qualifying property which prohibits the increase of taxable value on the homestead property to ten per cent per year. However, the market value may still be reflected of the local real estate market.

As of September 2011, homestead exemption application addresses must match the homeowner's Texas driver's license address, and vehicle registration address to qualify for the homestead exemption. If a homeowner does not own a vehicle they must sign an affidavit stating such and produce a utility bill in their name with the same address as the homestead.

Disabled Veterans:

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability (as described above), disabled veteran are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs.

Current exemptions amounts, based upon these rating, are:

<u>Disability %</u>	<u>Exemption</u>
10-29%	\$5,000.
30-49%	7,500.
50 69%	10,000.
70-100%	12,000.
